

# The 35<sup>th</sup> International Conference of the System Dynamics Society 60<sup>th</sup> Anniversary Celebration

**Hyatt Regency Cambridge**

**Cambridge, Massachusetts, USA**

**July 16-20, 2017**

## REGISTRATION NOW OPEN

**2017 marks the 60<sup>th</sup> anniversary** of the founding of the field of System Dynamics. Don't miss this milestone event! Please join us for an exciting lineup of presentations, learning opportunities, and networking. Register by June 22 and take advantage of early-bird pricing - all the sessions, speakers, events, experience, and inspiration for one low price!

Moderated sessions, technical workshops, one-on-one sessions with modeling coaches, and stimulating plenary speakers: all this and more in one place for five full days! Plan to attend and learn what is new in System Dynamics, spend time with your peers, and stay connected to the pulse of this innovative field.

# ISDC 2017

Boost your skills at our pre-conference 4-day **System Dynamics Summer School**, which will be held near the conference venue from July 11-14.

Conference registrants are invited to attend the **PhD Colloquium** on July 16 as well as a full day of hands-on **workshops** on July 20.

**Don't miss out - register today! [conference.systemdynamics.org](http://conference.systemdynamics.org)**

### **Program Chairs**

John D. Sterman  
*Massachusetts Institute of Technology*  
Nelson Repenning  
*Massachusetts Institute of Technology*

### **Workshop Chairs**

Jack B. Homer  
*Homer Consulting*  
Hazhir Rahmandad  
*Massachusetts Institute of Technology*

### **Conference Manager**

Roberta L. Spencer, Executive Director  
*System Dynamics Society*

Hosted by System Dynamics Group  
Massachusetts Institute of Technology,  
Sloan School of Management
